Treasure Island

Young Jim Hawkins is given a treasure map by a mysterious stranger. The search is on to find the treasure, but who will get their hands on it first?

Come aboard and meet the crew of the Hispaniola where confusion and deception abound! Can the ship really have 2 Captains and 2 people called Long John Silver on board? And will the mysterious stranger eventually reveal his true identity to Jim?

Get ready to boo and hiss, to ooh and aaah and help young Jim find that treasure!

This is a two act play with an interval of 15 mins
